Clovelly Eagles JRFC

PRESIDENTS REPORT

2023

Luke Mann

The end of another season at Clovelly, a great year for the club seeing a lot of new faces join the club and experience the beauty that is Rugby. A Rugby World Cup year always a special time, the competition and gladiatorial like matches showcasing our global game. Proud moments this year for the club seeing 2 former Eagles in the Green gold with Tom Wright and Ben Donaldson shining bright.

The number of Clovelly teams grew in 2023 from 18 to 21, great foundations for our club with 3 teams in U6 and U8, whilst we hit 4 teams in the Under 7's. Our philosophy at Clovelly is to grow the game and we will do our best to find opportunities for all players. As a result, Clovelly remains the largest club within the Randwick District, a record we should all be proud of. We hope to see growth in 2024, so ask your network to give rugby a go and send them down to Burrows.

Volunteers are the oil that keeps the club rolling forward, I would like to take the time to thank all of the people who step up and help out, our coaches and managers taking the time to get our teams game ready, Friday night Ground marshals, the committee members and all of those that take time out of their lives to give back for the greater good of the Clovelly Eagles. We take this time to make a call out for volunteers as we see a changing of the guard as our U12 parents roll off to the Warriors, so please reach out, we have roles of varying impact and time commitments.

This year we had 3 wonderful teams in the Under 12s, that showed real class throughout the season resulting all 3 making the Semi-finals. Unfortunately our U12 Whites were unable to take out the premiership but were impressive in a tight contest. We sadly say adieu, to the players and their families and we wish them luck in their next rugby journey, whether with the Randwick Warriors or their school. Once an Eagle forever an Eagle.

Amazing efforts across all age groups this year with an amazing number of teams making the Semi Finals in our Friday night competition, 7 teams out of 9 in the U10-U12 age groups. We had a team in every Grand final for the 3 age groups but were unable to take home the silverware this year. Great achievement as a club and shows the depth across our age groups. In the minis a shout out to our undefeated U6 White team awesome effort!

Rugby is about experiences, and we continue to push our teams to get out and amongst the Rugby community.

- Sir Richard's Chalice – with Camden
- Mark Ella Shield – with Terrigal
- Bowman / Hoiles Cup v Easts (local derby)
- Harbord Gala (U8 & U9)
- Canberra 7s (U8, U9, U11, U12), U8 winning
- Turinui Cup for Under 9s (Hosted by Clovelly)
- Hunters Hill – Dufficy Cup (U9)
- Wahu Tiger Cup – Wahroonga (U6)
- Chatswood Cup Gala (U8 & U9) U8 and U9 Teams winning this prestigious event! The double crown a first for the club.

2023 we continued to focus on Coaching & Equipment Investment with;

- Addition of 4 Tackle Crash mats – to enable more training and skill specific work for our teams as they progress from touch to tackle.
- Damian Costello (Coz Sprint) worked throughout the 2023 season with our coaches and teams providing tutelage on fundamental areas of rugby to improve consistency across teams and upskill our volunteers.
- Making rugby safer and building our coaching skills is fundamental

2024 is around the corner and we hope to keep building on what is a great club,

Up the Eagles

CLUB TROPHY AWARDS 2023

The Patrons Cup

The team playing to Club motto. The current patron of the club is Glen Joseph, he was the president of the Eagles from 2000-2001. Glen took on the role at a time the club was struggling with only 8 teams and a lack of numbers, his drive to improve and grow helped change the direction of our club.

U7 Red

Club Supporter of the Year

The award goes to the individual who best supports the club.

Amanda Baker

Shawn Mackay Club Player of the Year Award

The award goes to the player who shows qualities such as leadership, sportsmanship and cooperation. Shawn Mackay (1982-2009) was a Clovelly junior of immense potential playing 123 matches for the Eagles. A talented backrower who captained the Australian Rugby Sevens team (2005-2008) and represented the Brumbies. Tragically he lost his life in Durban whilst representing the Brumbies.

Hugo Cummins

Chris Whittaker Award

The award goes to a player that shows the most potential in a minis team. Chris is a local junior who played 106 matches for Clovelly, his family were massive supporters of the club who are both Life members. His illustrious rugby career included representing Randwick, the Waratahs (107 matches) and was Wallaby 747 (31 tests played, Captain 1 test). He is currently assistant coach to the Waratahs after overseas experiences in Europe.

Will Dawson

Col Windon Award

The award goes to a player that shows the most potential in a junior team. Col Windon (1921-2003) was a former patron of our club, a WWII veteran and rugby legend. Arguably Australian rugby's greatest ever flanker and undoubtedly the Wallabies premier attacking flanker of all time. He played and coached Randwick. Represented New south Wales, and become Wallaby 337 (20 tests played, Captain for 2 tests). He was as inaugural inductee to the ARU Hall of Fame.

Darcy Baker

CLUB TROPHY AWARDS 2023

Exceptional Achievement Award

Kalan Fisher

Greg Killeen Award for the Most Improved Minis Team

Greg played for the Eagles from 1975-77. He was seriously injured in a tragic accident whilst touring New Zealand in 1977 with the U15 team. This trophy was dedicated to Greg in 1978.

U6 White

Wally Meagher Award for the Most Improved Junior Team

Wally (1903-1966) played 100 first grade games for Randwick from 1923-1930. He represented NSW in 1929 and wallaby (8 tests). He was the Randwick coach from 1931-1953, president of NSWRU and Randwick club. He is widely acknowledged and the innovator behind the Galloping Greens running rugby. He also opened the first meeting to constitute the Clovelly Eagles club.

U12 Red

Kelly Clifton Award for Exceptional Female Player Achievement

Kelly Clifton is the first female to play over 50 matches for the Clovelly Eagles. Playing with the eagles since 2015. She is a great example to all rugby players and hopefully we continue to see growth in participation.

Chloe Hoiles

Morgan Turinui Award - Coach of The Year Award - NEW

Goes to a coach across Clovelly, that has developed his team significantly, given a lot to the club across coaching, shown the qualities of a good coach for junior rugby

WHERE ARE THEY NOW

Congratulations to former Eagles, Ehren Little, Tom McKenna, Ed Baxter and Max Laverty playing in the U16 NSW Waratahs invitational this year. Competing in the U16 Championships. Ehren Little (2019 U12 Clovelly Eagle) subsequently selected in the overall NSW U16 Gen Blue Squad.

Ehren Little, Tom McKenna, Ed Baxter, Max Laverty
at Woollahra Oval July 9th 2023

Congratulation goes to past Eagle, Ben Donaldson, on his incredible achievements in France for the Wallabies in the 2023 World Cup. His skills and composure as flyhalf, fullback & goal-kicker make him an impressive member of any team.

CUP TOURNAMENTS 2023

BOWMAN CUP TURINUI – EASTS RUGBY CLUB - August 13th 2023

Clovelly U10 defeated Easts – 26 to 21

DUFFICY CUP – HUNTER HILL - August 18th 2023

Dufficy Cup was held on a cold Friday night in August and was a great chance for our U9s to get their first tastes of Friday night rugby and U10 rules!

U9s with Dufficy Cup winners Western Raptors

MARK ELLA SHIELD - TERRIGAL - September 16th 2023

Clovelly U10 defeated Terrigal – 20 to 19

CUP TOURNAMENTS 2023

TURNIUI CUP – LATHAM OVAL - September 1st 2023

Mosman were the winners in the 2nd year of the Turinui Cup beating a strong Easts team to take the title as a late storm rolled in. Clovelly did themselves proud missing out on the finals by one score against the runners up Bays. A great night of learning for all U9s playing U10 rules.

CANBERRA 7S CUP - September 17th 2023

In September the Under 8, 9, 11 & 12 Eagles flew down the Hume to the Canberra 7s for a great day of rugby hosted by the Owls in the National Capital. The day was hot but the Eagles were hotter. All teams played some fantastic footy with the Under 9 & 12 teams making the semi-finals, going down to winners Western Raptors and Penrith respectively. The mighty Under 8s took out the whole show with an extra-time win over Kiama!! Congrats to all involved.

MINI GALA DAYS 2023

CHATSWOOD CUP U8 AND U9 - September 2nd 2023

The three Clovelly Under 8's teams combined under a single banner at the Chatswood Challenge Cup 2023 and it was clear from the first whistle they had come to play. Starting the day they began to stretch out their try scoring legs and equally importantly they also flexed their defensive muscle. One of the most important wins of the round matches was overcoming the Harbord Harlequins, the same team they had drawn with two weeks earlier at the Harbord Gala Day.

Despite three convincing wins in the rounds, the Eagles were only ranked third on for and against going into the finals and had two must win matches ahead of them if they wanted to take home the cup. First up in the semi-final was regular season rival, the Bays, who had also put together a strong team to contest the cup. The Eagles played their best game of the season making critical last man try-saving tackles, using the sideline with good effect and scoring two critical tries to make it into their first grand-final, winning by 10-5. Despite the long day in the heat the team came together, focussed and came out against round stage favourites, the Seaforth Raiders, with a high intensity, winning the opening exchanges. They disrupted the Raiders on and off the ball using counter rucking to good effect. They had to hang on tightly for a nail-biting finish but when the final whistle blew they were victorious, winning the Chatswood Cup 15 points to 10.

Memories of the soggy Chatswood 2022 comp were still fresh in the minds of the coaches and players, where we were knocked out in Golden Point in the semifinals. In 2023, we had something of a point to prove and a squad of players assembled ready to take on the challenge.

The U9s first game against Lane Cove was a convincing victory (30-0), setting the benchmark for the rest of the day. With the U8s taking out the major prize shortly after this game, the pressure only increased as the U8s dreamed of doing the double! Due to an injury to another team's player, our 2nd group game against Balmain was delayed to the end of all the group games. We finally played Chatswood, who we beat in a more competitive affair (15-5). As a result of the game-time changes, we then had to do it tough, effectively playing the next three games back-to-back, our final group match against Balmian (20-5), a tough semi-final against Hills (30-10) and then on to the grand final against Easts. The game that everyone had been anticipating.

By the time the final came around, the boys were all on their last legs. The coaches asked them to dig deep, give it everything and to leave nothing on the field. They responded exactly as we'd hoped and despite going down by a try after five minutes, they then came over the top of Easts to win 10-5 in what was a nerve-racking and worthy final. It was an incredible way for them to end the season, and the boys all did themselves proud.

MINI GALA DAYS 2023

WAHU TIGER CUP - WAHROONGA - September 4th 2023

Great win for the Under 6s.

Coach Rhys Williams
Manager Thi Nhung Vo

I am very happy and proud to have coached these fine young players on their first ever season of rugby! Any team that came up against the Black Eagles knew they had a game on their hands so let’s take a quick wrap on the legends that made up our team.

Xavier, a fearless lion and one of the leaders of our defensive line. Xavier was often our ‘go to’ for an early hit up. He never took a backwards step and loved making a big touch at a crucial time. Xavier has number 7 running though his veins and will end up being the next Michael Hooper. Archie, a boy who loved to run with the ball with a big smile on his face. Archie will grow to become a ranging second row. I know it’s early days, but I get a John Eales vibe. I haven’t seen Archie take a place kick yet but I reckon he will slot them from the sidelines just like “Nobody”. Harrison, an absolute natural in defence and attack. Harrison is an out and out fly-half and will emulate greats such as Larkham and Lynagh with his peerless vision, strong passing game and genius footwork.

Ryder, a fun-loving competitor who edged his way into the season game by game. Ryder started stringing together some great ball running as the season progressed, sometimes over the sideline and past the cheering parents but who cares when you are having fun with your mates! Harry, our happiest team member and a huge improver as the season progressed. Harry, (the smiling assassin) stepped up to the plate deep into the Gala when his tired team needed him most and stole valuable metres from under the oppositions nose time and time again. Cillian, born with a rugby ball for a pillow. Not only did he have amazing instincts in defence and attack, but he also had a competitive hunger that was never satisfied. Killer will end up emulating the great ‘gain line’ backrowers such as Totai Kefu, Wycliff Palu, David Lyons and Owen ‘melon’ Finegan and win the club boat

Clovelly Eagles JRFC

race at the bar. Magnus was fast, brave and competitive (sound like a rugby player?!?) and showed us all that some people can see spaces and opportunities before the rest of us, making some epic tackles and scoring some scintillating tries!! He will become one of the great wingers of our time.

Marty, Mr Versatile on the field and a real ‘go to’ for quick try or a try saving tackle. Marty is the opposite of his Dad – a) he had genuine pace and b) he was very well behaved at training. Coach Rhys was trying to remain impartial but he was bursting with pride on the inside. He’s a fullback come outside centre so there is only one name that comes to mind with Marty and that’s the great Mr Versatile - Wallaby Adam ‘Swoopy’ Ashley Cooper. Oscar, had a heap of energy and learnt to channel it towards ball running. I was so happy to hear him begging for the ball in the final game so he could have a crack and then another crack at the defence. A bit of Radike Samo about his play – unpredictable but direct and that’s what coaches love to see. Felix was not the biggest player in our team but boy was he brave running at the big boys when coach Rhys called on him. Felix’s favourite thing was to throw the ball in the air and see who would catch it so I am going with hooker for Felix in the years to come. He needs to put on another 105 kg’s but I sense a bit of Phil Kearns in Felix.

Billy, what a great little player Billy was. He found huge spaces and scored length of the field tries before anyone knew it was possible from an U6 player! The game of rugby was water off a ducks back for Billy who was cool calm and collected. Kudos to Frank and Chantal who won the ‘most passionate sideline parents’ award. When I think of Billy I think of Stirling Mortlock cutting up the All Blacks.... So there it is – a bunch of future Wallabies knocking on the door.

Most Improved: Harry Jones
Best and Fairest: Cillian D’Arcy

The 2023 Under 6 Blues saw a strong cohort of friends from the Little Feet Daycare centre graduate to the local Kindergartens and take the field alongside a great group of new friends in their inaugural season for the Clovelly Rugby Union Football Club.

Along the way they played some exciting footy, with blistering speed on the wings from Eddie, Danny and Hunter, Osian's ability to sidestep two teams on his way to the try line, attacking threats and dogged defence in the middle of the park from Dylan, Bobby, Alfie and Hank, great support and fresh legs by those who were involved at different points of the season Fletch, Raph and Bo, and when nobody was expecting it a hat trick of excellent tries from Louie!!

As the season progressed new friends joined, Jett Church (with the fastest shoes at the club) and the ever-present 3-year-old supporter base, who were always there to share in snakes at the end of a game.

The rugby was exciting, with plenty of meat pies scored each week, sometimes with skill that belied their young age. However, it was defence where the U6 Clovelly Blues excelled, with arguably the best defensive line in the club, with shouts of "Blue Wall!!!!" being heard across Nagle on a crisp winter's morning that put attacking fear in their young opponents...

Clovelly Eagles JRFC

Thanks to all the U6 2023 Eagles, you played an excellent brand of footy, had tremendous growth in how you played the game and most importantly played it with the right values - teamwork, friendship and to have fun each week.

To all the parents, who made a fantastic effort with training, game day and the good vibes on the sidelines, we can't wait to see you all next year.

Signing out for 2023 - Alex, Iwan, Sam and Andrew.

The Under 6 Whites had a fantastic year learning everything rugby. From putting on their first pair of boots and pulling on their first rugby jersey, to running out through an always supportive parents’ tunnel to start their games.

They are all fantastic young boys that learnt the basics of running (the right way), passing, and tagging, while also learning the values of teamwork, fun, and a sausage sizzle on Saturday morning at Nagle. The growth in confidence across all the boys throughout the season was a pleasure to witness. The always energetic and positive coaching from Gareth was well supported by numerous parents who helped at training and games, leading the team to an undefeated season for the Under 6 Whites.

Tries were scored, tags were made, but most importantly a love of our great game was forged.

Thank you for a terrific 2023, bring on 2024!

What a cracking first season for our newly formed team, the U7 Blacks! It didn't take long for our eight players to find our rhythm on the field on Saturdays at Nagle Park. Each week we played with two goals in mind: to work as a team and to have fun.

Each player brought their own flair to the game. Jack Walker was our top scorer every week, with his speed and agility resulting in many runaway tries; he scored an impressive 32 tries in his inaugural season. Hugo Luna had some barnstorming moments scoring tries and defending our half. Felix Weaver was laser focused on chasing down every tag and spotting the quick ball opportunities to get us over the try line. Lily Wilde was our best listener and always in on the action, running forward as a ball carrier. Joey Brady puts his heart and soul into every attacking run and defensive play. Lachlan Coulson was always enthusiastic to attack and get his hands on the ball. Jack Litwin's defensive and support skills improved remarkably over the course of the season. Jack Williams was our terrier in attack and defence, often putting his body on the line to get that ball over the line.

Coach Matt worked hard each week to ensure that every player on the ground had a fair go at handling the ball. It wasn't always about securing victory, it was about learning basic rugby skills that we can continue to build on season after season: positioning on field, passing backwards, tagging safely, holding the defensive line, spreading wide and not bunching, not rushing our defence, the importance of quick ball, listening to the coach and referees, comforting and supporting teammates when they needed a lift, but most of all, having fun on and off the field. We always performed best when we played as a supportive, happy team.

Clovelly Eagles JRFC

At each game we learned about the importance of sportsmanship; listening to our coach and referees, safely tagging, shaking our competitors' hands, thanking the volunteer refs and forming victory tunnels to show our respect. We also competed at two rugby galas, with the gala at Oatley being a particular highlight with four rapid-fire games one after the other with barely a five-minute break in between.

Kicking off every training session at Burrows Park with a combined Bull Rush with the three other U7 teams was always a highlight of our Wednesday afternoons (along with the stunning views). Our players enjoyed sprint sessions with Coz and worked on ball skills with Coach Matt, often joining forces with the U7 Reds to test our competitive spirit. Manager Mary cracked the organisational whip with our team communications, so we always knew when and where we all needed to be each week. Thanks also to James and Drew for stepping up for the last two games as fill-in coaches; and for all the parents, grandparents and siblings who supported our team from the sidelines each week.

We can't wait to improve on our rugby skills next season and to strengthen our bonds as a team and keep building lifelong friendships. Go the mighty Eagles!

We welcomed back the passionate U7 Blues to the 2023 season, joined by three new recruits following a rigorous off-season recruitment campaign. It was terrific to see the boys so excited to get back together and return to Burrows... what a place to learn rugby!

Our aims for 2023 were fostering teamwork, on field structure, and support to each other – and the lads didn't disappoint. They showed continued impressive commitment throughout the season with their excitement at every training and games regardless of sun, rain or chilly wind. Of note was the boy's attitude toward playing rugby with a positive team spirit. Week after week, whatever the final score, the U7 Blues came together to shake hands with the opposition and make a post-match tunnel to thank the other team for the game. The combined sportsmanship, determination, focus, and energy over the past two years has been fantastic to watch and they sit with a wonderful record of 22 games with 2 draws and only 3 defeats.

Hugo showed speed and skill with his quick change of direction and pace. Oscar worked well with great commitment during his thunderous big runs. Angus had a strong season around the field and always looked to back up his mates. Tommy J enjoyed running around the paddock chasing the action and was ever ready to hit the ball up. William encouraged everyone, passed well, and carved up opposition players with covering tackles. Donny found countless holes in the opposition defence with his perfected goose step that now has a trademark jump and a head wobble. Darcy showed his flair of the game with lovely pace and chasing down the

other team. Owen switched easily from league to union, running hard and straight. Ritchie displayed agility and confidence in the art of dodging runs and great support; and on his return from a broken arm Tommy C continued to develop his running rugby techniques with the ball in hand.

U7 Blues oozed professionalism, enthusiasm, and dynamic skills during the Oatley Gala day. The boys put on a tremendous performance highlighted by twinkletoe speed, strong and direct passing, flashy tries, and defending their line with a solid wall of raw energy – resulting in a straight 3 game win of 14 tries to 5.

An enormous cheer to all the amazing parents and families for keeping the spirits high throughout the season and for the solid effort in getting the boys to training every week. Your involvement, friendship and support were impressive and most appreciated. It is always great to have a crowd on the sidelines to cheer every Saturday morning regardless of the weather.

Our social rep, Joe Fitz, led from the front and arranged a number of post training recovery sessions at the Cloey to enjoy each other's company and review performances whilst being fed and rehydrated - a sign of a truly combined team with strong family support.

Finally - a gigantic thankyou to the whole U7 Blue group who showed excellent team spirit, on field support, and encouragement to each other throughout the season. We look forward to seeing you return to run (and tackle) as the 2024 mighty U8 Blue Eagles.

While this was the first season of Rugby for all of our boys, the resilience, growth and determination they showed throughout the season was second to none. Each week, they turned up determined to have fun and learn new skills. The added bonus each of these boys have gained are the friendships that have been formed and support they give each other week in and week out.

The first season for a new team always has its challenges and the U7 Reds were not exempt from this by any means. We've had our fair share of sickness, broken bones, even broken teeth which saw the team short of players for many games of the year. Our boys however have not wavered and turned up every week smiling and ready to take the field, banding together like brothers.

Despite the challenges, the boys have gone on to have the most remarkable season. And not once were they disheartened by the score. Both Adam and I could not be prouder of the growth we have seen in each and every one of them. We definitely were very spoilt when we took on the coaching and managing roles for the Reds.

This was also a season for a few other firsts - seeing Adam coaching and myself as manager. Adam has done a remarkable job at training and on the field each Saturday. His level of patience and commitment to trying new techniques has been the sole driver for the growth

Clovell Eagles JRFC

we see in the team. Thank you Adam for your dedication to the Reds.

And I have been very lucky to be the U7 Reds team manager. Not only was it great to be able to work beside Adam, but the boys are a true credit to our fantastic group of parents. The support and trust you show in both Adam and I has been unwavering and is immensely appreciated.

I'd like to close the season by referencing the Clovelli Eagles motto of "Play to Win Learn to Lose". There is not one better example than the Reds in staying true to this. The weekly goal of each child was not to win but to pick a skill to focus on in that game. This saw some of the best games of U7 Rugby and tenacity we've been able to witness, despite the scoreboard. By the gala day, even though we only had 4 players, we managed to win all games. A special shout out however is required as none of that would have been possible without the phenomenal support from Xavier and Lennox Yates and the U7 White/Black teams. This is the reason each of us will be returning next year.

Thank you for a phenomenal season and making all of us new to the club feel so welcome. We look forward to returning for the season next year.

The U7 Whites had a fantastic season with the team getting their fair share of wins. More importantly though, they did it as a true team, having fun, being gracious in victory and defeat, and starting to develop into the next generation of talent for the mighty Eagles!!! It has been a pleasure to watch the boys grow and learn this season. Each young man has shown their unique approach to the game, a few stories of which we share with you all below.

Freddy Thomson – a big off season signing with Freddy moving from Bays to the mighty Eagles. Once spatial awareness was achieved a hard ball runner and defender. Scooped a few tries in his last game before heading to Sweden to commence his handball contract with the Gothenburg Breakers. Freddy Curtis – a great season for Freddy with huge improvements all year. Loves to keep his hands warm at all times, but when they are removed from the jumper they are lightning fast. Great runner of the ball and honest defender. Harry Howell – a purest of the game. Loves the technical stuff. A fast runner with feet like Gutho. Coaches like to call him “the gazelle”, with the ability to change direction in an instant, confounding defenders and opening holes everywhere.

Rufus Hough – great improvements through the year, finding his focus after tasting the spoils of a try early in the season. Straight running lines proved the most effective path to the promised land. Ru will be a true menace to the opposition in 2024, hardened by hours of tackling with the older brother that shows no mercy. Oscar Kerr’s Dad calls him “the pest” because once he is focused the opposition can’t get rid of him. Starting the

year with a taste for running backwards he developed a wicked step against any opponent. The Most Improved award is fitting recognition. Both coaches want this focus at the end of the season to carry over to 2024. Corey Gillespie is an attacking machine, with white line fever. Coaches like to call him the “honey badger” for his tenacity and fast footwork, combined with great footy awareness equals an impressive first season. A natural ball runner who will step up into tackle in 2024 with ease.

Lennox Yates - the “gas man”, has speed to burn and a step that would make Freddy Fittler blink twice! He can score a try from nowhere. A true team man who embodies the Eagles ethos. Joshua Boon – The Eagles Best and Fairest for 2024. Joshy aka “the destroyer” exemplified both Best & Fairest elements throughout the season. Cuts through teams like a hot knife through butter, but equally happy to distribute the pass and get other team mates involved. An honest defender and a true team man. Baxter Odillo-Maher – Bax found his fifth gear in 2023. He understands and executes straight running and committed defence. When asked to deliver never disappoints. A team player that provides patience and a calm confidence that appears to be growing. Louie Hajje – Louie’s skill level and game awareness improved all season as did his love for the game. Big Louie will be licking his lips for the 2024 season. The coaches think he will be the hard running forward a team is built around next year and we hope he is looking forward to another big season for the Eagles.

Up the mighty Eagles!!! Dan, Anna and Rob

2023 was a fantastic year for the Clovelly Blue Under 8's. The first year of tackling started as a shock to the system, however as the season went on, the confidence grew, and by the end it was amazing to see the transformation that had taken place, and the standard of rugby which the boys were playing.... And with experience developing throughout the year, so the results came, turning the tables on a couple of teams that had beaten us convincingly earlier in the season, and finishing the season with 3 wins and a draw for the last 4 games.

Archie led from the front all year, with many tries, and some of the greatest front on tackles for the season. Luke showed his power and speed as an attacking weapon, scoring length of the field tries time and time again, and acting as the last line of defence throughout. Ollie continued to develop his twinkle toes swerve, as he dazzled the opposition. His tackling in tight moments was also a feature. Halfback Harvey showed his toughness as a tackling machine and spreading the ball from the ruck, and some great runs. Rocky showed his pace and agility with some amazing runs, and long range tries. Zac showed his passion for the game, and continued to develop, with some great runs and tacking. Our wrecking ball Ed learnt to use his strength as he burrowed over for some amazing tries, carrying the whole opposition team with him. Hugo played the ultimate team role, always clearing out at the breakdown, pilfering plenty of ball, and having

some great runs. In his first year of rugby, Paul showed amazing development, and pulled off some of the biggest tackles of the year.

It was a great year all round, and our last game was reflective of the way the season played out. 4 tries down at half time, our boys were looking a little flat and out of sorts. Coach Jonny pulled the boys in at half time and reminded them to; contest the ruck, stick your tackles, and share the ball. The second half was our best half of the season, and it was fitting that the last play of the match saw the ball go through almost all of the boys hands, to have Ed score in the corner, in front of all the parents, to draw the match.... One of the greatest rugby moments I've seen....

A huge thankyou to coach Jonny who dedicated so much of his time and effort to coaching and teaching the boys all about the game.

U8 Reds soar like eagles in 2023. The Eagles' characteristics are as follows: honesty, truth, majesty, strength, courage, wisdom, power and freedom. I can say now, that the under 8 Reds are a team of true Eagles in every sense.

Made up of the overflow of players who were late to register or had not played rugby before. We were a team written off. Enter coach, Evan Hughes, Ex Cambridge 1st 15 and blessed with a direct and unwavering voice of support and technical rugby knowledge. Often coaching in shirt and tie, he quickly got the kids to understand the basic principles of rugby, and to enjoy the process of learning. But this story isn't complete without the main characters. The players themselves.

Felix Peshos, blessed with a head of flame-colored hair chopped into a mohawk. With size and strength, he quickly established himself as an attacking force, and the trys followed. Not far behind was Chloe Hoiles, a superstar in the making, and let's be honest it runs in the family. Her speed and lines of running quickly established her as a natural and top try scorer. Watch this space. Teddy Hughes, from courage personified to bossy scrum half, and a real character to boot. He nipped, probed, and left many would-be tacklers grasping at thin air. Fletch Rafferty, a barnstorming forward, who developed brilliantly as the season went on, turned into a pick n drive monster. Twinkle toed Jack Cowdroy, who always found a way to the try line with his elusive running and pace. Saoirse Brady, petite in stature but colossus in heart, gave her all in every game and feared nobody. Then there was Jack Finikiotis, who also

Clovelly Eagles JRFC

looked like a different player at the end of the season vs the start. A brilliant support player and teammate, who gave his all in every game. 'The Clamp', Flynn Sutherland, wore 7 and looked every bit a future open-side, superb tackler and close-quarter player. The dark arts are strong with this one. Finally, Xavier Saunders, got a real taste for the try line towards the end of the season, with aggressive running, fends, steps, and strength often getting him over the line. Together they did Clovelly proud, beating Bays, Easts, and drawing with the much-hailed Blues, in a Saturday morning ripper.

This team represents a story of togetherness, support, and a 'never say die' attitude that can only leave you wanting to see them take to the field again next year.

What a wild and wonderful year it has been for our feisty team of future rugby legends! 2023 and the step up to U8’s meant it was the first year of contact for the Whites, and let’s just say, they’ve embraced the art of tackling like a koala hugging a eucalyptus tree - with enthusiasm and a lot of determination.

We welcomed two new talents to our squad this year. James “The Tackling Thunderbolt” Ingram displayed an innate knack for tackling and rucking, disrupting opponents tirelessly. Hunter “The Hornet” Gavan wowed us with his speed and agility, effortlessly maneuvering through larger adversaries.

Returning to the field was Rian “The Tackling Tornado” D’Arcy, a tactical defender who scored numerous tries and provided a last line of defense. On the other wing was William “The Rockstar” Rowlandson’s who’s tackles were a spectacle in themselves, executed with the finesse of a rockstar shredding a guitar. His signature flying tackle saved countless tries.

Sandy “The Scorpion” Dusseldorp developed a determination for the try line and with gritted teeth he often decided the best way forward was to bulldoze through the opposition like a hungry rhino, leaving no room for challengers. Caelen “The Comet” McKay, a quiet achiever with a steely resolve, grew in confidence throughout the season, tackling with the precision, zooming across the field like a comet on a mission. Don’t let Ollie “The Wizard” Yeates’ size fool you, he had a magical way of predicting opponents’ moves. His tackles were like a wizard’s spell, rendering the opponents powerless against his rugby sorcery and gritted teeth.

Charlie “The Crocodile” Miller stood out with his infectious smile and unmatched resilience. Despite

enduring a few knocks to the face, he displayed unwavering determination in the rucks. Finley “The Magician” Reeves must have a hidden magic wand because his tackles were like disappearing acts making opponents vanish, he had a strong finish to the season getting a sniff for the try line.

Henry “The Titan” Tange proved that a big heart makes for a big tackle. With a mix of determination, a dash of bravery, and the energy of a bouncing kangaroo, his keen tactical brain and an ability to analyse the opposition is unlike most 8 year olds.

Coach Stuart’s approach to coaching is like a cool breeze on a hot summer’s day - refreshing and reassuring. He’s been a master of turning tackling practice into a fun adventure, making even the most timid players feel like rugby superheroes in the making. His patient guidance has transformed the once-tackling-shy bunch into a fearless team that charges the field with confidence. By his side was Manager Mal, full to the brim with enthusiasm and a big love of these 10 young boys, never short of a high five or a cuddle when a big knock shook someone’s confidence.

Through their laughter-filled practices and heart-pounding matches, the U8 Whites have not only become tackling dynamos but also a team of friends who lift each other higher than a kangaroo on a pogo stick. Never have you met a more supportive and enthusiastic bunch of parents, Saturday morning sideline banter has become a weekly highlight, they say the apple doesn’t fall far from the tree and that is true for this pack of legends. A special thanks to all the parents that jumped in to help with drills and wrangling at training and the games, it takes a village. Go the Whites!

Coaches Patrick Fanning & Tim Henry
Manager Anthony Gray

2023 was an exciting and eventful season for the U9 Blacks. The team worked hard under coaches Patrick and Tim, and all developed in leaps-and-bounds throughout the year. While results didn't always go our way, with 5 wins to go along with 6 losses, the team always showed tremendous effort and heart, fighting to the end, and throwing themselves into the rucks & mauls, and tackle contact with courage. This is especially impressive given we were almost always playing with no reserves and relying on U8 players willing to back-up.

New recruits Henry Greenfield-Parker and Iggy Paff added toughness and direct running to the team, picking up Best Back and Forward, respectively. Henry scored 30 tries in only 8 games and delivered highlight-quality defence – both front-on, and in scything cover defence, and was sorely missed in the middle of the season when recovering from a neck injury. Iggy quickly picked up the nuances of rugby, and relished piling into the rucks and always put his hand up for another hit up.

Louis Skinner added muscle to the forward pack, with his quiet and polite demeanour masking a competitive fire, always playing with controlled aggression, and never taking a backwards step. Tom Fanning put in an absolute workhorse of a season, fronting up for every game and always putting in a big shift – leading the team in defence, constantly organising the defensive lines and making sure his teammates were okay after a big knock. Liam Esplin was another of the mighty forward pack, who is willing to do the grunt work required but also making big metres when getting the ball in space.

Henry Smith picked up most improved with an absolutely fearless season, seemingly trying to make a statement every game by launching himself at the

biggest opponent (often successfully) and willing to truck the ball into contact. Theodore Gray split time between the forwards and backs, and was equally effective cleaning out at the ruck and stopping runs up the middle, or stepping through defenders to make meters in attack.

Bond Mangan developed into a dynamic halfback, knowing when to release his backline, willing to play as an extra forward when required, and an absolute terrier in defence with both courage and tenacity.

Tommy Henry and Gemma Weaver were our outside backs. Tommy put his pace to good use, getting into space with elusive runs and countless try saving cover tackles. Gemma grew in confidence throughout the year, with her silky ball skills and impeccable rugby technique, and making several penetrating runs.

Special shout out to Sandy Dusseldorp, and all the other Eagles who helped us out during the year. Sandy played for us 7 times after he'd already played an U8s game, and despite playing up a year and on weary legs, was often one of the best on ground, and we viewed him as an integral part of the U9 Blacks.

And massive thanks to Patrick and the broader U9 coaching staff (Matt Dawson, Matt Scott and Tim Henry). It was a massive juggle this year with a short squad, but you made it fun for all the players, and not only have you imparted rugby knowledge and skills but have passed on a passion for the game and taught them all how to play the game the right way. And you can't ask for any more than that! See you all in 2024 for Friday night lights!!

The 2023 season saw a new look line up for the mighty U9 Whites. Some had played together last season, some had not, some had never played at all. We took a leaf out of Rugby Australia's book during the off season and did a bit of league poaching that returned great results.

Our scrum half Tommy Walker has a future in dancing if he gets tired of rugby bamboozling the defence with his footwork, his delivery from the breakdown was outstanding. Freddy Hughes, our fly half was amazing in attack and defence, our go to when in need of points, cries from the sideline "give it to Freddy Give it to Freddy" were heard. Ben Beaver played his first season of rugby but anyone watching would have thought he was a seasoned veteran with his hard running and work in the ruck, he can only get better.

Playing in the centres, Charlie Behr was always on the ball and backing up in support using his tremendous speed to get around the defence. I think we have a great fullback in the making. Rugby league convert, Ander Fletcher-Emmett, took to the game they play in heaven like a natural with a strong running game and fearless defence will see him become a great rugby player.

Zac O'Donoghoe, an Eagles veteran showed great improvement on previous seasons gaining a lot of confidence and injecting himself into the game more often with great effort in defence, always in and amongst it looking to get on the ball and helping his mates out in the ruck. Hooker Will Dawson was like a Jack Russell, into everything and everyone. Defence and attack were both great but the highlight of his game this season was his work at the breakdown, turning over opposition ball and creating havoc.

Clovally Eagles JRFC

Isaac Symes, another league convert was an asset to the side playing in both the forwards and backline. His ducking and weaving in attack left the opposition defence scrambling to contain him every week. In his first season of rugby Riley Jackson-Emmett showed improvement every week, with great efforts in defence and work at the breakdown he made an excellent addition to the forward pack and will be instrumental as the team progresses through to the older age groups. Harry Yeates gave his all every week always looking to run the ball and supporting his teammates in attack. He was unlucky not to get a few more tries to his name. I'm sure we will see him cross over more often in the coming years. Harry is our most improved this year and rightly so. James Wide, a first-year rugby man was a bit unsure of the whole caper at the start but once he got his head around it and the fact you get to tackle someone without getting in trouble saw him come out of his shell. His defence in the second half of the season was nothing short of outstanding.

Cam Scott, the coach's son had the weight of the world on his shoulders, worrying if he would ever get man of the match after our first 2 games. His continued improvement, predominately in defence, throwing himself into tackling some of the bigger opponents, saw him receive the honour a few weeks in.

I would like to thank both Matt and Lindsay Dawson, Matt for his coaching assistance and Lindsay for her managerial skills this season also to all the parents for their continued support and kind words. It really was a pleasure.

What a season 2023, our first year of Friday night lights, it did not take long for the players and families to get into the swing of it and really get down to enjoying the atmosphere and end of week Rugby. We welcomed some new players to the squad who all added something to the squad and more importantly we were lucky to have great families join our close-knit group. Having parents putting their hand up to assist at training, volunteer on a Friday and support the team throughout the season is key to a successful campaign.

The season had a lot of highs, we played our way to 2nd on the table and won our way through to the Grand Final. The progress to get there we showed great resolve to win matches with a constant flux in our team and positions. Different players each week had to stand up to work our way through the season and opposition teams.

The Clovelly Blacks style of play grew throughout the season with focus on core skills paying dividends, the ruck, recycling our ball and hands were fundamental to our wins as we marched towards the end of year finals.

We as coaches are lucky to have a great squad of players, that want to improve and grow as footballers. Their attitude to training and enjoying rugby makes turning up that much easier and a pleasure to coach.

I would like to thank my co-coach Richard Pearson, a focussed coach who wants to see only the best from his team, and our Water runner Matt Williams who's straight talking no holds barred approach is refreshing and resonates with our playing group.

Clovelly Eagles JRFC

We dropped only two games in the regular season, both against the Maroubra Missiles our bogey team in 2023. We won a hard-fought match against the Clovelly Whites in the Semi final which was great to see two Clovelly teams playing such positive rugby under finals pressure. The grand final was not our night, we were comprehensively beaten by a better side. It was not the way we wanted to end the season but it has certainly added some resolve to pre-season 2024.

I know Richard and I look forward to 2024 and pushing this team to its limits, to see where we can take them.

Thank you Clovelly Blacks players and families.

We had a great start to the 2023 season. All players returned from last year's U9 Blues - with the addition of some valuable transfers from the Reds - Tommy and Ryder. In addition, we had new players joining the Eagles - Sammy, Hugo, Rocco, and Aidan.

After a few solid training sessions, we went on to win 3 of our 4 trial games. Good wins over Clovelly Reds, Oatley, and Coogee White and a close loss to eventual Div 1 premiers Maroubra.

Unfortunately, due to injuries, we lost a couple of our players at the beginning of the regular competition, and we went into a mid-season slump.

But what a comeback we had at the back-end of the season! A convincing win against the top Burraneer team in the "Battle of the Blues"! (It's worth noting that the week before that game Burraneer Blue beat Clovelly White and the week before that Clovelly White beat eventual Div 1 premiers Maroubra.)

We were back on top of our game!

Another convincing win against Burraneer's top team in the Div 2 semi-final saw us matched with Coogee White for the grand final.

That grand final was by far the best game we played all season. Ahead at half time 15 to 14, we played until we had nothing left in the tank. Final score was 4 tries each

Clovelly Eagles JRFC

- but conversions made the difference - and we lost in a hard fought game at 28 to 20.

Special mention to our U10 Blues players who made Randwick Rep U10 Team including Winston, Paddy, Hector, and Fred. A big thanks to Ben and Josh for filling in for injured players in our semi-final and grand final.

A big thank you to co-coach and Clovelly Life Member Ken Robinson - and our manager Sharpie!

Looking forward to next year as the U11 Blues.

Manager Niki Fairhall

It was an honour to coach the mighty Clovelly Eagles U10 Reds this year.

We started the year with some new faces who made our team such a little family. They joined the Reds to play with their school mates and they did each other so very proud. Our new recruits were the Fairhall twins – Ben and Josh, Corbin Allen, Andrew Brown, Freddy Caie, Lachie Soulos, Hudson Rowe and Will Sargent. It was practically a new team. The other 5 originals equally represented themselves and played their hearts out – Lucan Turner, Harry Wall, Charlie Dusseldorp, Saxon Yates and Xavier Marshall. What a great team it was of these 13 little legends.

We started the year early with some team building pre-season, focussing on fitness and fun. We all loved the Bronte cemetery hill sprints and Cloey beach run swims. We were ready for the season ahead and the team was raring to go.

We blew the opposition away in the first few games. The boys executed the style of Rugby that I was teaching them - Running Rugby. I wanted the forwards to do their job in set pieces and contest the breakdown hard so we get clean ball going forward for the backs to score the tries. It worked a treat and the wingers were scoring 'team tries'. We were winning, on top of the ladder and things were good.

However, in the back half of the comp we faced another level of competition. All of a sudden our set pieces and

breakdown contests were harder to win, the boys were getting pushed back and put on their bum. They didn't like it. In turn, the backs and wingers didn't get the ball we needed to score nor did they retain possession enough due to the superior competition.

We met our match but the boys never gave up. They tried their little hearts out but we lost momentum and we lost confidence. A few losses meant we missed the semi-finals and I was sad to see the boys so disappointed. Such is Rugby.

I hope they all know how good they actually are and how much Rugby can fill their lives up in positive ways. If they all keep practising their skills I know they will have great futures in the game they play in heaven. I hope they know how proud I am of them and I sincerely look forward to another season next year, where we will take it up a big notch.

Finally, to our legendary team manager Niki Fairhall, we couldn't have done it without you – thank you so much for your organisation and support during the year.

Also, thank you to the co-coaches Mark Soulos, Steve Brown and Justin Law – your support and assistance every week was a blessing, thank you!

And to the parents, thank you for trusting us with your sons. You have all been so happy and supportive on the side lines and we appreciate that immensely. Up the Eagles!! Bring on 2024!

Against all odds the Clovelly U10 White team had an extremely successful season. We got off to a rocky start with a small squad of 12 players, losing two preseason to injury along with availability issues saw us struggle to field a team each week. Despite these obstacles our team bravely took the field while we scrambled to borrow players to fill the ranks, often borrowing the oppositions players to prevent a forfeit.

By round 3, with a lot of hustle from parents and coaching staff we were very fortunate to welcome Themis and Ted to the squad. The boys were new to union and quickly became huge assets to the team with their speed and tackling ability.

Being a squad short on both numbers and size, the plan was to strike fast to move the ball away from our larger opponents. Our front row team Leo, Alex and Luca held a solid set piece, providing a strong platform to launch our attack. In the engine room Ollie S and Archie performed dual role as locks and backrowers, pilfering ball and cleaning out rucks at the breakdown. Rounding out our forward pack, Theo was a dominant force in pick and go, keeping our opposition on the back foot, resulting in a huge try tally. Our forward pack proved to be quick and assertive at the breakdown, closing off any opportunities for our opponents to attack in the middle of the field.

Our halves pairing of Elliot and Ollie N along with Augie or Oil R, showed great rugby knowledge playing good options with fast accurate passing and positional awareness. Attacking both open and blind sides of the

breakdown keeping our opponents scrambling.

Our centre combinations Lachie, Ted and Bill were simply awesome. A mix of speed and strong dynamic evasive running was breathtaking to watch at times.

Due to our squad's depleted numbers, fielding wingers from within our squad was a luxury. But when numbers allowed, Bill, Augie, Tee and Oli Robinson were fantastic. Defence being the real strength in our wingers, with brilliant tackling and great cover across the field.

When the stars aligned, and we could field a full team, even with no reserves on the bench, the real potential of this team was on display. Highlights along the way included, being the only team in the competition to beat a dominant Maroubra side in round 6. A clinically perfect performance playing away against a big Oatley side in round 8. A great win over our friends in the Clovelly Red team, in a battle for either team to progress to the finals. Then, finally a thrilling semi-final narrow loss in the final minute, against our friends in the Clovelly Black team, an epic local derby between two great Cloey teams.

In each of these matches the boys played with a level of teamwork, skill, and spirit beyond their years. They are a pleasure to coach, and we couldn't be prouder of their improvements, achievements, and efforts this season.

A huge thanks to Jonathan, Pat, Matt and Jen for the awesome work coaching and managing the team and to parents who helped as ARs and Ground Martials each week. We had incredible support from our amazing parent group who made the season so much fun.

This year we welcomed three more players to our Blues team - William Crozier and George Courtenay (who both came down from the older age group) and 'Junior' Nathaniel Tauheluhelu for our second season of Friday night footy.

It was truly a mixed bag for us this year results wise, with seven wins and seven loses leaving us in the exact same position as last year, 4th on the ladder and facing a semi-final with the Maroubra Missiles. The team played their hearts out in that semi and really took it to their opponents, but it was not to be for us, for this year at least!

A couple of notable stats - our highest try scorer was Junior Tauheluhelu with a whopping 29 tries (not bad for a front rower!!) and Thomas Walden had the most conversions with a total of nine. Thomas also collects his 50 games played for the club award this year, so congratulations to him! Some special mentions must go to William Hindmarsh and Archie Lydiard who both have an amazing 'non-stop' attitude, and showed some serious speed down the wings, also to Jude McDermott whose knowledge of the game and role as Captain for many games this season must be applauded.

Our players had their second shot at representing our district club Randwick at the State Gala, and our under 11 Blues had eight players make the Green/White teams. Well done to Angus Ireland, Archie Lydiard, William Hindmarsh, Arlo Symes, Ernie Ryan, Jude McDermott, Junior Tauheluhelu and Thomas Walden - both teams had a very successful tournament.

I would like to thank the parent volunteers who took on roles in order for the kids to be able to turn up and play their games. Assistant Referees: Will Courtenay, Stu Ryan and Mac Lydiard and to any other parent who stepped up to help, thank you.

Finally, none of this could happen with a huge group of people who run the Clovelly Eagles so thank you to the Committee for all their hard work and massive thanks to all those involved at Latham Park every Friday, especially Adam Baker who is there every week setting up for our teams. Our kids are lucky to be a part of this great club!

We returned to pre-season with plenty to build on from last season. With broadly the same squad as last season and some speed recruited out wide we were primed, a few sand hills, beep tests and broncos we were good to go.

Our early season trial games saw us go west, which was good to blow out the cobwebs and see some of the new opposition (as well as detours to Homebush for quite a few of us). Our game plan was pretty clear, use our solid forward pack get over the advantage line, own the breakdown to set a clear platform for our crisp backline to let it sing and get it out to the speed that we had out wide and score tries in the corners.

Of course, we also had to defend. Which we did most of the time, except for the occasional spell when we forgot to tackle and would leak a few tries that we then had to chase the game. Fortunately, we always leant in and worked together to get out of trouble. Finishing the season really strongly with only 1 loss, we were primed to go deep into the season.

Clovelly Eagles JRFC

Our semi-final was one of the best games we played all year. We had some tight tussles with Wests in trial games and during the season but it all come together well, everybody did their jobs in defence and attack and we came out on top. Now it was onto the big dance for a second season in a row and we were up against our nemeses Maroubra Missiles, we trained well and came out of the blocks firing and stuck with them for the first ten minutes. However a couple of turnovers in our attacking 22 and their lethal counter attack saw us down a couple of tries in quick succession. We never gave up and fought it out right till the death, scoring in the corner with the last play of the game.

Thanks again to all of the kids for a fantastic season, we might not quite have got the chocolates but I'm really proud of how we played. We finished the season playing some really good rugby and seeing some of the stuff we were working on at training coming through onto the paddock was fantastic to see. To have finished the season with 10 wins, 2 draws, 2 losses and a GF I think we go into the end of season with unfinished business and a bit left in the tank.

Thanks, Dan, for coaching, I spent a bit of time on the road so thanks for stepping up! Thanks to Morgan, Bertrandt and Troy for leaning in at training too. Special shout out to our manager Lindsay I think we are possibly the best organised team in the club. Bring on next season..... Full side, full field and I reckon we can go all the way, we can also go all the way to NZ on tour!

And so after seven years, our time together has come to an end! Yet again, in 2023, the boys played with a great attitude, and we were worthy semi-finalists, only losing games to the top 2 teams in the comp, those thorns in our side over the past few years!

I thought this year, we played with a lot more structure, often scoring well put together team tries. I was impressed with the way the boys moved the ball so much better this year, and after a getting it out of their system in an early trial game, I was also very pleased with their attitude and the lack of complaining about the ref in games (the threat of those fitness sessions clearly working!).

Our forwards set the standard with a strong presence at the breakdown, with players like Charlie P, Angus, Cooper, Sammy and newcomer Cash often the unsung heroes of games having worked tirelessly here. We are lucky to have great ball carriers in the team with Logan, Joey, Jack, Conor and Talin always looking dangerous when running with the ball. Honourable mentions to Jack and Logan, but Best Forward for the year goes to Charlie P. Always dominant at the breakdown and great at following the game plan.

In our backline, Harry hit the magical milestone of 100 tries for the club, a mighty achievement. Jackson was always strong at Fly-half, taking players on and distributing the ball with equal class. Teddy was out utility back, playing in most positions across the backline and always delivering. Oscar and Charlie H found a nice centre-partnership in the first half of the season creating multiple chances running lines off Jackson, with Will H then adding a lot of go-forward runs at 12 in the 2nd

half. We are blessed with some real gas in Louis, Will L and Ollie, and more often than not, it was one of these boys making a last-ditch cover tackle to prevent a try. Best Back award this season is split between Oscar for his leadership and defence, and Jackson for his play-making and attack.

The Most Improved award goes to Angus, who was a unanimous choice amongst the coaches. He really stepped up the consistency of his performances at the breakdown as well as development of his fitness, making him so much more effective for longer periods of the game.

I am very proud of all the boys and how they have developed as players and matured as young men. Special mention to Jackson, Harry and Charlie H who have been part of the team since the beginning. Thanks to my co-coaches Gavin and Larry who have been a great support for many years, particularly this year covering while I was away. Your views and perspectives on the team approach and the different boys' strengths has been invaluable. Ronan, thank you for managing the team and taking on the fun of scoring through Matchday App! And to Sarah and Jon for stepping in when Ronan was unavailable, plus Richard, Rob, Tom and many more for Friday night support in heaps of different ways.

Finally, thank you to the boys for indulging me in living vicariously through them over the past few years. It has been a lot of fun coaching them and seeing them develop. If any one of them go on to play for the Wallabies, I expect a mention when asked how they got there!

Best Forward: Charlie Pearson
Best Back: Jackson Macaskill
Most Improved: Angus Buckland

The Under 12 Reds', a Hollywood movie couldn't have been scripted any better.

This year Amanda and I were asked to help the Reds team get started, the only problem was once we started, we couldn't let them go. Most of this team are 1st year rugby players and entered an extremely strong Friday night competition.

Any way back to the story, I needed a hand with coaching, and I was pointed in the direction of Troy, another rugby tragic who only stopped playing himself last year, Amanda was then on the hunt for an assistant, she managed (I think bullied) poor innocent Roger into helping.

The first round of games came as a gala day and tragedy struck, with our fearless captain suffering a season ending injury, breaking both bones in his leg and dislocating his ankle.

The 2nd round came along and with limited training sessions under their belt, they were given a rugby lesson, but to my amazement the boys kept coming and showed me they had true grit and were serious about their season. A win came quickly in round 3 which lifted the boys confidence and spirits even higher.

The character of the group began to show, these boys were out to have fun and ruffle some feathers along the way. The boys were like sponges, soaking up every piece of rugby knowledge both Troy and I threw at them, their skill development also took a massive rise. Two of our players Lachie and Charlie made the Randwick Rep side that competed at the State Championships.

As the season progressed it dawned on me, this group of boys although just having a ball with their mates are in with a shot of doing something special. With 3 rounds to go they needed 2 wins to cement themselves in the top four and play semifinal football. A close fought win over Burraneer, 36-33, gave them the sniff they wanted, and the excitement was hard to contain.

The last round, West produced a huge pack of forwards, but as usual this group's grit came to the fore and they dug deep, they showed skill and rugby knowledge well beyond their experience. They played wide and expansive rugby, side to side moving the monster opposition pack around. The whistle blew and they had done it. The reds had come fourth and exceeded all expectations.

Even though the semifinal did not go their way the boys were still so excited as they kept the team who were to become premiers to just 1 try in the second half. This brings me back to the character of the team. I have never coached a group of boys who came together like this, who work for each other, who back each other and who pick each other up as much as they do. I am extremely grateful to have been given the opportunity to coach these boys.

The last people I want to thank are the parents, you didn't know Amanda or myself, but you showed us that you trusted us with your sons and didn't question anything we did. These boys are a true credit to you and you should be extremely proud of the young men they are becoming.

Coaches Sean Baker & Brad Cummins
Manager Amanda Baker

Season 2023 The Last Dance.

This year as with all our U12's is the final year with the eagles, 3 of the boys have played 8 years with me and I have coached with Brad for 7 of them and I would not change a thing.

This season like every other, the team's excitement to start playing was immense. 15 a side full field rugby meant with this we added 4 additional players, 3 of which were new to rugby. Just like every year prior, the boys were welcomed, and they fitted straight into our white's family.

The Whites performances this year were again astonishing, scoring 606 points whilst only conceding 77 against them. This accomplishment is only possible because of the numbers and commitment they show at training, some do a lot more burpees than others, but I know they all listen and wouldn't want to be anywhere else. The boy's skill development has again exceeded our expectations which can only create better rugby players in the future.

The style in which these 12 year olds play the game is well beyond their years and replicates true Randwick running rugby and is a clear reflection as to why they have only lost 3 games since round 1 of under 8's. 11 of our boys also achieved great success in representative teams with the Randwick side making the semifinals at State Championships only to be beaten by a count back and the Randwick development side going through undefeated in the tournament at Narrabeen.

Clovelly Eagles JRFC

This year however didn't quite deliver our fairy tale finish that we had hoped. I am extremely proud of the sportsmanship, maturity, gratitude in winning and acceptance when we lost.

Coaching 12-year-olds boys can be a big task but only if you don't surround yourself with the best. This is why Amanda has been our manager from day 1. Amanda's organising of the boys, parents, ground Marshalls and everyone in general is second to none and I along with our parent group appreciate her massive efforts. Brad as I mentioned earlier has coached with me for 7 years (and still talks to me). Brad and I work very well together with his backline knowledge complimenting my forwards background, his patience complimenting my lack of.

The unwavering support our parent group has shown Brad and I throughout the years has been amazing. You trust us with your son and give us free rein to teach them. These boys are now becoming young men and are already ahead of the game because of you.

Brad and I both hope that all of our boys continue on their rugby journey, and we hope they have found a love for the game as we have. I can honestly say that I would do anything for any of these boys and I'm going to miss not being in their lives as much, they will also leave a massive hole in mine.

GO THE EAGLES!
